**DETAILED ACTION**

***Response to Arguments***

Applicant's arguments see pages 1-3, filed January 29, 2004, with respect to independent claim 1 have been fully considered and are persuasive. The rejection of claims 1-22 has been withdrawn.

***Allowable Subject Matter***

Claims 1-22 are allowed.

The following is an examiner's statement of reasons for allowance:

After reviewing applicant's arguments on pages 1-3 and conducting an updated search none of the cited prior arts alone or in combination discloses the claimed illumination unit having the cited limitations of independent claim 1, where a semiconductor laser bar, an optical arrangement for providing a circular beam are monolithically integrated on a common carrier and encapsulated with a transparent cover for transmitting the laser beam and for protecting the unit from environmental contaminants.
